

June 17, 2011

Dear Parents:

Well we finally made it! Not so much about the school year, but with the weather! I believe everyone will be looking forward to hopefully enjoying an old-fashioned summer in the coming weeks and months ahead (we deserve it after this past winter and rainy spring). After having gone through last week's severe thunderstorms, our Spring Concert was an astounding success. Thanks to the fantastic job Ms. Dorazio did along with students singing beautifully-it was a night enjoyed by all.

Speaking of weather, thankfully the weather held off for everyone to enjoy yesterday's Field Day. It was nice to see everyone once more (students who had graduated this past week), before we begin our summer vacation. I want to thank Ms. Mastropietro for taking the time to plan yesterday's event (it was her scheduled day off).

Before we say our final goodbyes, I just wanted to remind parents to check our website for their child's summer reading list and fall supply list. Speaking of our website, it is *under construction*. It still is available to visit, and thanks to Mr. Hanlon (parent of two children attending St. Paul School), it will be even better in the weeks ahead.

Both Mrs. Pompetti and I will be here throughout the summer, Monday-Thursday from 8:30-2:30pm. A calendar will be posted on the website for the months of July and August with any exceptions (vacations) or events scheduled throughout the summer-just in case you'd like to stop by and visit us!

We had our **Awards Ceremony** today and recognized those students with both **Perfect Attendance** and **Honors in Academic Achievement**. Please see the attachments to this Newsletter for the names of those students receiving those awards.

From everyone at St. Paul School, have a great summer and see you once again on Tuesday, August 30<sup>th</sup>!

Mr. Corry
