

Dear Parents:

Just a reminder this Thursday, December 16<sup>th</sup> (Craft Class), will conclude our Fall Session of After-School Enrichment Classes. I am not quite sure at this point if we will continue with the same programs *on the same days*. Beginning on January 10<sup>th</sup> we will be offering Tennis once again. When classes do resume, please remember if you wish to sign your child up for classes that each class is \$75 (Tennis Classes are priced separately). Classes will run from the week of January 17th to June 2<sup>nd</sup>.

A schedule for classes will be forthcoming the week of January 3-7. Please check your email at that time for an update on class times.

Mr. Corry
