“TRASH TO CASH” PROGRAMS

For those families new to our school “Hello and Welcome to the Saint Paul Family” and to those returning “Welcome Back”.

We wanted to take a moment to remind our families of our “trash to cash” programs. These programs earn money for our children without costing us anything. They are:

1. Box Tops for Education – Just clip your box tops and send them into school in an envelope or baggie. We earned over \$1500 last year. This money is used to offset the costs of our children’s field trips. Also be on the lookout for the upcoming contests. Your child’s classroom may be a winner.
2. Cartridge Recycling – we collect empty ink cartridges for cash. Just send them into the school office with your child (or place them in the box located outside Mrs. Pompetti’s office). Last year this program netted us over \$500.
3. Shaw’s Community Rewards – When you shop **Tuesday, Wednesday or Thursday** Saint Paul School receives 1% of each purchase you make. Please see the enrollment information on the back of this letter. You can log on and register yourself or return your name, address, phone number and Shaw’s reward card number to school and we will enroll you. Please take a moment to enroll today!

These three programs together earned us over \$7000 in the 2008-2009 school year. We earned this for doing nothing but sending in our “trash”.

Thank you each for your past support in these programs and thank you in advance for participating this year. Remember each of these programs directly supports the programs, trips, and resources your children participate in daily.
